

12
country

The Country 12 is the largest in our Country roomheater range. With a huge output of 12kW it is well suited to a larger room or an open plan area. It blazes with superb, clean-burn, efficiency coupled with minimum mess, leaving your home thoroughly warmed.

It takes a large log size of up to 430mm (17"). The options of a slide-on canopy, back-boiler, drop-in riddling grate and choice of colours (see page 56) all apply. As with all the stoves in the Country range the 12 is built from a substantial combination of the best materials and enhanced with touches of solid brass.
