

8  
country

The Country 8 has always been a very popular

choice of stove, delivering up to 8kW of heat to the room. Once again it has large twin doors that fold back against the stove and comes complete with a fixed front shelf. All the standard features apply: air wash, clean burn technology and brick

firebox lining, as well as an optional canopy to transform its looks, riddling grate, back-boiler and choice of colours (see page 56). This is an exceptional stove and, as many existing customers will tell you, an excellent investment to the home. Come back to embracing warmth.
